FOR IMMEDIATE RELEASE

Highway 12-Jameson Canyon Nighttime Lane Reductions Start Friday, November 1st

NAPA COUNTY – The California Department of Transportation (Caltrans) will implement ongoing paving work as part of the Highway 12 Jameson Canyon widening project in Napa and Solano Counties.

The paving will require a 2-day period of evening to early morning lane reductions on eastbound Highway 12 between the Highway 12/Highway 29 interchange and Kelly Road in Napa County. Crews will reduce eastbound traffic on Highway 12 from two to one lane in the area. As part of the work, one of the two left-turn lanes from southbound Highway 29 onto eastbound Highway 12 will also be closed.

The work is scheduled to start on Friday, November 1st and be completed on the morning of Sunday, November 3rd.

The first night of lane reductions will be in effect beginning on Friday, November 1st at 6 p.m. until Saturday, November 2nd at 5 a.m. The second night of lane reductions will be in effect beginning Saturday, November 2nd at 6 p.m. until Sunday, November 3rd at 5 a.m. All work is weather permitting.

The California Highway Patrol (CHP) and flaggers will help direct motorists. Caltrans will also install changeable message signs. Motorists should expect delays and allow for extra travel times.

For more information on the Highway 12-Jameson Canyon Project see our website at: <http://www.dot.ca.gov/dist4/12jamesoncanyon/>
